# UNITED STATES PATENT AND TRADEMARK OFFICE

## CERTIFICATE OF CORRECTION

PATENT NO. : 7,010,582

DATED : March 7, 2006

INVENTOR(S) : Ray C.H. Cheng, et al

It is certified that an error appears or errors appear in the above-identified patent and that said Letters Patent is hereby corrected as shown below:

In the title "...USE..." should be --...USER...--.

Column 2, between lines 36 and 37, the following paragraph was omitted:

--In the event the method is being implemented by any other network device than the initial network device, the first message has a header portion and a content portion, and the access control information is contained in the content portion, and the method further involves extracting the access control information from the content portion for use in the response message.--

Column 13, claim 12, line 46, "..., response message..." should be --..., the response message...--.

Column 14, claim 13, lines 8 to 10, "...user device to include or not include at least part of the user-specific information in the second message,..." should be --...user device to send the second message or not,...--.

Column 15, claim 24, line 48, "...sending to the end user..." should be --...sending to the end-user...--.
